## Why choose IMG & GlobalSelect<sup>SM</sup> ?

Travelling, working or living abroad can be exciting, but can also present unexpected obstacles and challenges. This is particularly so when it comes to quality healthcare which you and your family expect and deserve. But now, by choosing GlobalSelect<sup>SM</sup> International Healthcare cover, your medical care need not be a concern.

Quality medical insurance is very important, especially where local medical facilities may be basic, inaccessible, may have long waiting lists or may be unable to provide you with the treatment you require. Most private facilities, if available, are often prohibitively expensive and your local medical facility may not be able to transport you there.

The GlobalSelect Plan is specially designed to give you the choice and flexibility to help meet your individual private medical insurance needs, wherever you choose to be covered in the world.

You and your family can benefit from an extensive range of cover options, access to some of the best medical centres in your chosen area of cover and all backed by fast, friendly and efficient service to help and support you when you need it most.

### Age Limits and Eligibility

**Individuals and their dependents worldwide of all nationalities are eligible to apply for cover from 14 days of age up until the age of 74 Years.** In the case of children under the age of 18 years, a parent or guardian is required to sign the application on their behalf.

Non-USA citizens may reside anywhere in the world including their home country. However, in respect of cover in the USA, certain eligibility restrictions may apply.

USA citizens must reside outside the USA on their effective date and arrange to reside outside the USA for at least six months.

Please contact us for further details regarding age limits and eligibility, or refer to the GlobalSelect Policy Wording (available upon request) for full eligibility conditions and restrictions relating to cover within the USA.

### Lifetime Cover

Lifetime medical cover may be available if you enroll in the GlobalSelect Plan before your 65th birthday and you maintain continuous cover up until age 75 - at which point you may become eligible to apply for continuing cover under one of our Senior Citizen Plans. Your GlobalSelect Plan will automatically terminate at the policy renewal date following your 75<sup>th</sup> birthday.

### Renewal Of Cover

GlobalSelect is annually renewable and continues when renewed. Prior to the end of each 12 month period of insurance, you will receive a renewal form. You must continue to meet the eligibility requirements in order to renew. There are no medical questions at renewal, and your rate will be based upon your age and cover selection at the time of renewal - not your previous claims record.

### Automatic Renewal

For your convenience, if you pay by credit/debit card - we will notify you of your renewal premium in advance of your renewal date and automatically renew your Plan and charge your card just before renewal, thereby preventing any accidental break in cover at renewal - unless of course you are no longer eligible or we hear from you to the contrary before renewal.

### 30 Day Money Back 'No Hassle' Guarantee

Upon receiving your GlobalSelect policy documents, please make sure you read them carefully. If you think your GlobalSelect Plan may not meet your needs, you may cancel it without having to pay a charge.

If you decide to cancel, simply return all your policy documentation to us within 30 days - and, as long as you have not already made a claim under the Plan, we will cancel it from inception and promptly give you a full refund of the premium paid - No Questions Asked.

### Key Highlights and Advantages

#### Flexibility and Choice

With four GlobalSelect sub-plans to choose from and a range of voluntary medical excess options, IMG (as administrator) and Sirius International (as insurer) offer you a wide choice of health insurance covers to suit your individual needs and budget, all of which give you the freedom to choose where you are treated within your selected geographic area of cover.

## Wide Range of Covers

All eligible charges for in-patient treatment are covered up to an overall maximum sum insured and, depending upon your chosen sub-plan, there is also a wide choice of cover available for out-patient treatments.

We offer one of the widest ranges of covers available, as well as some new and unique covers. Please refer to the Schedule of

Cover and Excesses and the Policy Wording (available upon request) for further details of the cover under each sub-plan.

**In summary, the four GlobalSelect sub-plans are:**

### HEADSTART

The GlobalSelect HeadStart<sup>SM</sup> sub-plan is very affordable 'entry level' medical insurance designed to get you to see a consultant or specialist privately and quickly - whether before or after hospital admission, or following out-patient surgery.

- Allows you to receive the private in-patient treatment you need, when you need it, as well as out-patient surgery, cancer tests and MRI/CT scans
- Includes emergency evacuation and repatriation to the nearest medical facility within your geographic area of cover
- "Go private" and avoid having to suffer unnecessary or long waiting lists

### BASIC

The GlobalSelect Basic<sup>SM</sup> sub-plan is affordable and effective medical insurance that gives you higher limits and more sections of cover than HeadStart. As well as in-patient treatment, out-patient surgery, cancer tests and MRI/CT scans, the Basic sub-plan provides a wide range of additional covers, including:

- Family doctor fees, treatment, referrals and prescribed medicines relating to pre and post hospital treatment
- Major organ transplant
- Physiotherapy
- Homeopathic and osteopathic treatments
- Home nursing
- Compassionate visits
- Stabilisation of an acute episode of a chronic medical condition

Limited worldwide accident and emergency cover is also available under the Basic sub-plan if you travel outside your geographic area of cover. What's more, if declared and accepted, limited cover can even be included for pre-existing medical conditions following 24 months continuous cover under the GlobalSelect Plan.

### STANDARD

The GlobalSelect Standard<sup>SM</sup> sub-plan offers significantly wider and increased benefits compared with the Basic sub-plan, with extensive cover for family doctor treatment and prescribed medicines, including additional benefits for:

- Complementary medical treatment
- AIDS/HIV treatment
- Hormone Replacement Therapy (early onset)
- Rehabilitation and Hospice Care
- Psychiatric treatment
- Annual health and wellness check ups for adults and children
- ...and much more!

Cover is also available for declared and accepted pre-existing conditions and on-going chronic and palliative treatment, after 24 months continuous cover. You can elect to have eligible treatment in the USA within our network of providers.

New and valuable sections of cover include: Out Of Country Legal Expenses and Out Of Country Car Rental Loss/Damage Waiver cover for trips of up to 31 days outside of your country of residence, if you are 21-74 years of age.\*

### EXECUTIVE

The GlobalSelect Executive<sup>SM</sup> sub-plan offers you some of the highest limits of cover and the widest range of premier international medical insurance covers available anywhere in the world today. The Executive sub-plan provides all the covers above and more, including:

- Vision contribution benefit
- Routine dental treatment (after 6 months continuous cover)
- Restorative dental treatment (after 12 months continuous cover)
- An extensive range of maternity covers (after 12 months continuous cover)
- Extended Out of Country Car Rental Insurance as above for trips of up to 31 days\*; including Supplemental Liability Insurance, Hit & Run, Uninsured and Under Insured Motorists too - a highly valuable benefit if you rent a car on business or pleasure outside of your Country of Residence if you are 21-74 years of age.\*

(\*Out Of Country Car Rental Insurance is separately underwritten from the medical insurance under the GlobalSelect plan and is not insured by Sirius International. Separate policy documentation will be issued at time of purchase which will also identify the insurance company).

## Family cover - free cover for first child under 10 Years

Families applying for the GlobalSelect plan will receive free cover for the first eligible dependent child aged between 14 days and 9 years - when at least one parent is insured under the GlobalSelect plan. All persons applying must be listed on the initial application form.

## Value Added services and benefits on all Sub-plans include:

## Your Choice of Cover

### *Choosing the cover that's best for you*

#### A choice of Excesses

A standard excess is the first amount of a claim payable by you before any benefits are paid under the plan. There is only one excess per medical condition per period of insurance.

The Schedule Of Cover and Excesses identifies the Standard Excess that applies to your chosen GlobalSelect sub-plan. There is also a range of optional voluntary medical excesses available to you and your family:

- On the Standard and Executive sub-plans, for a small increase in premium you may choose to reduce your excess from that of the standard excess.
- Alternatively, you may choose to increase the excess above that of the standard excess and this will result in a reduction in your standard premium of up to 45% depending upon the increased excess you select.

## Choosing Your Geographic Area of Cover

By restricting your cover to certain geographic areas you can reduce the premium you pay. With the GlobalSelect plan you have a choice of three different geographic areas of cover:

**1** **AREA ONE**  
**EUROPE INCLUDING:**  
 Albania, Andorra, Armenia, Austria, Azerbaijan, Belgium, Bosnia and Herzegovina, Bulgaria, Canary Islands, Channel Islands, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Gibraltar, Greece, Greenland, Holland, Hungary, Iceland, Ireland, Italy, Jersey, Kazakhstan, Kyrgyzstan, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Madeira, Malta, Moldova, Monaco, Netherlands, Norway, Poland, Portugal, Romania, Russian Federation, San Marino, Serbia, the Slovak Republic, Slovenia, Spain (including the Balearics and Canary Islands), Sweden, Switzerland, Tajikistan, Turkey, Turkmenistan, Ukraine, United Kingdom, Uzbekistan, the Vatican City and Yugoslavia.

**2** **AREA TWO**  
**WORLDWIDE, EXCLUDING USA/CANADA**

**3** **AREA THREE**  
**WORLDWIDE**

## Worldwide Accident and Emergency Out of Area Cover

Your sub-plan may also allow restricted Worldwide Accident and Emergency cover outside your chosen Area of Cover for up to a specific monetary limit of cover and to a maximum number of days per year. This is particularly beneficial if you travel out of your geographic area of cover frequently on short trips or decide to go abroad on holiday - refer to the Schedule Of Cover and Excesses for further details.

## The GlobalSelect Schedule Of Cover and Excesses

This Schedule Of Cover and Excesses must be read in conjunction with the GlobalSelect Policy Wording (copy available upon request), and all sections and cover are subject to all terms and conditions. Each GlobalSelect sub-plan has a different column to identify the specific limits of cover and sections that are applicable to it.

Your cover is always subject to the overall aggregate maximum sum insured per insured person. Each section of cover is per Insured Person and per Period of Insurance, unless stated otherwise and always subject to the benefits stated for each sub-plan and plan terms, conditions, limitations and exclusions. Please note that sub-limits and pre-certification requirements apply within certain benefit sections - refer to the Policy Wording for further details.

All benefit limits and excesses in this schedule of cover and excesses are set in £Sterling, \$US Dollar and €Euros. The currency in which you pay your premium being either £Sterling, \$US Dollar and €Euros, is the currency that applies to your sub-plan for the purposes of the benefit limits.

<b>KEY Schedule Of Excesses - Unless identified elsewhere within the policy wording, the Excesses applicable per Section are:</b>

	Covered up to the amounts shown after the Standard Sub-Plan Excess (or your Voluntary Medical Excess) as identified on your Certificate of Insurance, per Medical Condition claimed per Period of Insurance, unless stated otherwise

## Cover For Pre-Existing Medical Conditions

After cover has been in effect for 24 continuous months under a GlobalSelect Basic, Standard or Executive sub-plan, (unless we advise otherwise in writing) - an Insured Person is provided with cover up to the annual and life time limits (relevant to his or her chosen sub-plan) for eligible declared and accepted pre-existing medical conditions,\* subject to the terms and conditions of the Policy Wording.

(Note : No cover exists for pre-existing medical conditions under the GlobalSelect HeadStart sub-plan)

This benefit is payable **whether or not** you have received consultation or treatment for the condition(s) during the 24 month period. This is important because very few pre-existing conditions remain free from consultation or treatment, and therefore do not typically qualify for any cover at all under most other companies' standard policies.

If you fully disclose a pre-existing medical condition at the time of application, and we accept you into the GlobalSelect plan, you will be covered for eligible charges subject to the limits and terms\* of the plan.

\*See Policy Wording for definition of "pre-existing conditions" and a complete list of exclusions and limitations and other specific terms and conditions. Available upon request.

## Other Exclusions and Limitations

As with all medical insurances, there are certain costs, expenses, conditions and claims which are not covered by the GlobalSelect plan. Please refer to the Schedule of Cover and Excesses applicable to your chosen sub-plan which should be read in conjunction with the full Policy Wording (available upon request) in order to obtain a definition of pre-existing conditions and a complete list of terms, conditions and exclusions relevant to your chosen sub-plan.

Charges for the following illnesses, conditions and surgical procedures which exist, manifest themselves or are treated or have treatment recommended during the first 90 days of cover from the effective date are excluded from cover: tonsillectomy, adenoidectomy, haemorrhoids or haemorrhoidectomy, any disorder of the reproductive system, hysterectomy, hernia, intervertebral disc disease, gall stones or kidney stones, any condition of the breast, any condition of the prostate. Please note charges for the above may be further limited or excluded under the pre-existing condition exclusion and/or the chronic condition limitation.

## Optional Valuable Additional Covers

When you apply for the GlobalSelect cover, you can also choose to apply for a range of valuable additional covers at the same time:

- Global Personal Accident Plan
- Global Daily Indemnity Hospital Income Plan

These valuable additional covers are easy to apply for, require no additional medical information or examination, and if you are accepted for the GlobalSelect plan then your acceptance is guaranteed for these additional covers. Simply complete and return the relevant Optional Additional Covers section(s) on your GlobalSelect application and submit it with the appropriate premium/payment details.

Separate policy documentation will be issued along side your GlobalSelect plan for any additional cover you apply for. For the full policy terms and conditions relating to these options, please refer to the relevant policy documents (available upon request).

## Global Personal Accident Plan

Whilst GlobalSelect is designed to provide protection for individuals and families from the high cost of medical expenses, Global Personal Accident Plan provides financial protection and security for families following the accidental death of an insured loved one. The Global Personal Accident Plan also provides cover in the event of an accident which results in your permanent total disablement, total and permanent loss of speech, hearing or sight, total and permanent loss of use of one or more limbs, or second and third degree burns. Cover is provided on a worldwide basis, irrespective of the area of cover you have chosen for the GlobalSelect plan. Anyone under the age of 70 and approved for a GlobalSelect plan is automatically eligible for a Global Personal Accident Plan at the time of application.

The Global Personal Accident Plan is an optional cover that is purchased in 'blocks of cover' also known as 'units.' The maximum number of units you may purchase depends upon your age at the time of application and each subsequent renewal. Applicants aged 31 days through 18 years, and 65 years through 69 years are eligible for one unit of cover. Applicants aged 19 years through 64 years are eligible for up to two units of cover. The second 'supplemental' unit is at a discounted rate to the first 'standard' unit of cover. Child Personal Accident cover is also available at a discounted rate. (See overleaf for Table of Benefits and Limits).

If an insured person suffers more than one loss for any one accident, we will pay only one benefit amount which is determined to be the highest benefit payable not to exceed the Permanent Total Disablement Benefit limit purchased. Injury or death must result in loss within 12 months after the date of the accident. The Global Personal Accident Plan does not include cover for accidents arising from manual or hazardous occupations, dangerous sports, pursuits or activities, driving or riding on motorcycles, motorbikes or mopeds. If you are unsure, or your occupation is not purely office-based, or you take part in any dangerous sports, pursuits or activities, please give full details on a separate sheet when submitting your Application Form. We will then advise if cover can be granted. War and terrorist risks can not be covered in certain hazardous countries.
